with a view to secure more direct & efficient control over the work of the Inspectors, he may be placed under the direct orders of the Collector who will be able to see his work when touring in the Mahal. The Inspector of each Bank may also be placed under his control. I anticipate much economy by this arrangement

[This portion of the Abkari is also found in collection Bundle 22 of 03 nos 1-2]

His duty of touring falls also on the Collector & there is no reason why he should not accompany that officer in that capacity.

Soon after Mr. Pilkington saw me by appointment, I reduced his representations into writing, and submitted to the Serial no. 3 (enclosure) Dewan The Paper is on record P. in the file. (~~Marked A~~). Of course on none of the Points, I could have given Mr. Pilkington any indication of the way in which the matter would be decided by Govt.

The question of giving travelling allowances is a matter of Specific Contract. If the Dewan has not made any promise, I do not see how Mrs. P. can now claim it. There is no record that any promise was made to him.

When he suggested a Clerk I thought he would need one Perhaps, the question of clerk, tent & Kascan may be

recommended, if Govt please

I do not recollect anything about Mr. Pilkington not being willing to undertake the work at all without these additional provisions

KOPPA,

KADUR DISTRICT,

April 3rd 1903

Sir Dewanya N Krishna Murty K.C.I.E

Dewan of Mysore

Sir I returned here today fm Chikmagalur, after completing my detailed survey report on the Chikmagalur Bank Coffee Estates, & found Government Proceedings No. R. 3387-9 of 23rd ultimo - I note that a grant of Rs 1634 4 3 and Stationery are sanctioned; but that Travelling allowance, the use of a Clerk, tents & bullock cart are refused -

2 I can only think that some mistake has been made, & must ask you to kindly refer to the questions I submitted to

3 the Government through the Chief Secretary at their meeting on the 26th November last, and to remind you that I was only prepared to take up the appointment, as it involved sacrifice of other work, subject to the sanction of the same. I then stated that I was not prepared to undertake the appointment without Travelling allowance, and I understood at the interview you accorded me on November 27th that all my requests had been acceded to -

As regards Travelling Allowance - I have been permitted

4 continue to live at Koppa, and, as I have no wish to draw travelling allowance out of this permission, I would suggest I only commence drawing the same after arrival at Arkalgud from which point my work commences -

5 I now refer to the tents & bullock cart, for which I did not ask in November

KOPPA,

KADUR DISTRICT,

November, I can only suppose that you are unaware of the Nature of this Country in which the Estates lie, and their position as regards Travellers' Bungalows - I am this tour from which I have just returned I had to borrow a tent from the Assistant Commissioner

I have thought it better to bring the matter directly to your notice, as, remembering what kind letter you returned me on November 27th, I feel sure that there must be some mis-understanding

I have the honor to be
Sir
Your most obedient Servant
